

**Drainage Board Meeting
February 5, 2013**

Present: David Gogel, Mickey Toler, Surveyor Herron, Elaine Jones, Attorney Wilkinson, Auditor Lynam

Absent: Al Logsdon

Meeting was called to order by Vice President Mickey Toler at 11:00 A.M.

Minutes

Gogel made a motion to approve the minutes from December 4th as presented. Toler seconded the motion, motion approved.

Surveyor Report

Herron reported that the log jams have been removed from Anderson River and it really looks good. They should get started on Huffman Drain any day. Herron had two new projects to discuss; first one is JC Hoople Drain, starting at Highway 161 and going 16,751 feet. This was cleaned out approximately 15 years ago; the county spent approximately \$65,000 to \$70,000. Trees are too big now for spraying to do any good; would like to put out a bid to bush hog the trees off the side of the ditch before we get back in the same position we were in 15 years ago. That way it can be added to the maintenance program and we can keep it sprayed. Surveyors estimate on this job is \$15,000.

Second project is Lateral #6 off of JC Hoople Drain. Surveyors estimate on this project is \$12,500. Just asking for an okay from the Board, he will still have to go to the landowners; just need permission to go ahead with bid specs.

Gogel made a motion to give permission to the Surveyor to start the projects on JC Hoople and Lateral #6 off of JC Hoople Drain based on the estimates and the money on hand. Toler seconded the motion, motion passed. Herron said he would like to get the work done before spring; if he can get the bid specs out by the next meeting he can get it worked in.

Other Business

The McCorkle brothers were in attendance and thanked Herron for his help in solving a drainage problem. They would like to put in a tile parallel with the road and let it drain into JC Hoople. Herron said he didn't think they would be satisfied with putting a pipe in there. He suggested they wait until they have a problem and then look into it.

Gogel made a motion to adjourn. Toler seconded the motion, motion passed. Meeting was adjourned at 11:21 A.M.
